

## The Anniversary – Saturday 19<sup>th</sup> August 2023

This pairs competition was held on a beautiful day, providing a definite contrast with the Jasper Trophy. With each team comprised of randomly drawn skip and lead from pools of low and higher handicap bowlers it provided a fun and competitive tournament. It also presented a unique challenge by combining a two wood pairs format with most of matches being played on different rinks.

Many thanks for the mid competition break which included Bacon Butties complement of Derek Allwood and cakes baked by Rae, Theresa and Rosemary.

The ultimate tournament victors were Kary Taylor and Keith Buck and in second place Derek Allwood and Chris Mace . Separated by a mere 1 shot difference with the same number of match points
